Dear Mr. Gibson:

This letter is in response to your letters resulting from the preliminary reviews of the above referenced reports. Please note that I received only the 3rd request letters and did not receive you first and second requests.

Amended reports were submitted for all of the above referenced reports on February 20, 2001. The submission of these reports was delayed due to the fact the FECfile3 software could not facilitate all of the corrective actions outlined in your letters. The Committee's responses to your questions are as follows:

- **Commissions Regulations require that a committee disclose Identification of all individuals who contribute in excess of \$200 in a calendar year...Identification for an individual is defined as the full name, mailing address, occupation and name of employer. Your report discloses contributions from individuals for which the Identification is not complete.**

A detailed description of the procedures followed by Citizens for Rush for requesting the information is as follows:

1. A written request for missing information is sent to the applicable contributors at least three(3) times. A sample of this request is attached (See Attachment A)
